Re: Price Increase Announcement – April 1, 2014

Due to the rising costs of raw materials used to produce thermoplastic products, Versico must announce a 5% price increase on all TPO membranes and accessories effective April 1, 2014.

Existing quotes will continue to be honored, however extensions will not be possible. Orders must be received by March 21st and ship prior to March 31st to ensure pre-increase pricing.

Please direct any questions to your Versico Regional Sales Manager.

Thank you for your continued support of Versico.

Sincerely,

Frank Palmer

General Manager
