Re: Updated RSC Price List, Effective January 18th, 2014

To our Valued Customers,

Due to the increasing costs of raw materials, Boral Roofing has come to the difficult decision to increase price on select roof system components. The increase will impact all shipments or invoices after January 17th, 2014 and are reflected in the attached price list.

If you have any questions, please contact your regional sales representative or customer service personnel at (800) 669-8453 for assistance.

Your business is greatly appreciated and we want to thank you in advance for your continued support.

Sincerely,
