Johns Manville Roofing Price Increase – Coated Glass Facer Polyiso

We are experiencing cost increases and constrained supply of raw materials associated with coated glass facer polyiso products. As a result, effective immediately, Johns Manville must increase the surcharge on all ENRGY 3[®] CGF and ENRGY 3 FR products.

Effective immediately the new charges will be:

- ENRGY 3 CGF - \$7/SQ
- ENRGY 3 FR - \$9/SQ

The increased upcharge will apply to all new orders. Pricing for existing orders or quotes will be honored but extensions will not be granted.

Thank you for your continued support.

Terry Faas
Director of Commercial Operations
