INNOVATIONS FOR LIVING®

Dear Owens Corning™ Residential Roofing Customer:

Owens Corning Sales is experiencing increased manufacturing costs, therefore, we are announcing a price increase of **5 to 7 percent** on all roofing and accessory products effective **April 15, 2014**. We do not anticipate that we will implement any further price movements during the first half of 2014.

This increase applies to all shipments on or after **April 15, 2014**, regardless of order entry date. As this date approaches, we will communicate specific price increases by product.

Owens Corning Sales reserves the right to limit the quantity of orders shipped in advance of this price increase.

Thank you for your business and continued support of Owens Corning. Please do not hesitate to contact your Area Sales Manager should you have any questions.
